

Hi everybody!

As home school is getting longer than we expected from now on, we are going to use Google Classroom for our classes. To be part of your classes you have two options: you can download the App Google Classroom to your phone/tablet or you can access using the application in your computer. (If you have a Gmail account you can find Classroom among Google applications)

Select **Google Classroom** ...

... and join the classes using the following codes:

- ▶ **Reading Comprehension: mvuk4e3**
- ▶ **Literature: 6rhhv32**
- ▶ **Speaking: xd6vhwv**
- ▶ **Listening Comprehension: uk463bw**
- ▶ **Use of English: bkwh3fi**
- ▶ **Writing: fca4fnz**

Things to take into account:

- Send your answers in a Word file so that we can edit the file with the corrections. If you don't have Office in your computer remember that you can use Google apps. There is an app (Documentos) which is as Word. You will find it in the same way you found GoogleClassroom.
- Write the subject and your surname and the number of task as the name of the file. E.g.: WritingMartinez1.doc. This is very important for us to get organized. Remember we are receiving LOTS OF files every week.
- If you have any doubts ask, we are here to help you! Of course, you can also help your classmates. 😊 Remember that we still have the same email in case you cannot use Google Classroom. (year-7@colegiojesusmaria.edu.ar)

As we are not coming back next week, upload the answers to your activities (week 1 and week 2), writings, etc. to the corresponding class. **Deadline: Monday 30th.**

From now on, check your Google classes for more activities 😊

Hope to see you soon!!

Miss Nadia and Miss Sofia.
