

Year 7.

Estimadas familias,

Esperamos que se encuentren bien, agradecemos mucho su ayuda, comprensión y apoyo.

Les queríamos comunicar que esta semana las actividades estarán disponibles tanto en la página del colegio como así también en Google Classroom, pero a partir de la próxima solo se cargarán en las aulas virtuales de Google Classroom.

Contamos con su apoyo para que los alumnos vayan cargando las actividades resueltas en archivos Word en las aulas virtuales o en caso de no poder acceder recuerden que se encuentra disponible el mail de contacto. La idea de enviar lo que van haciendo es poder ir haciendo un seguimiento y poder ayudarlos con las dificultades que se presenten. Muchas gracias.

Esperamos reencontrarnos pronto.

Cúdense.

Saludos y cariños,

Miss Nadia y Miss Sofía.

Interview of the Week

Stuff We Love

We interviewed some teens from Edinburgh earlier this week about the things they love.

Cameron

What do you never leave home without?

Well, I love taking photos, so I've always got my digital camera in my bag. Good photographers should take one everywhere.

When did you buy it?

I've had it for a year. If I can improve more, I'll try and find a job at a magazine as a photographer.

Cool. Have you taken any photos today?

No, not yet. I'm waiting for my friends. I'm going to take some photos of them skateboarding.

Grace

What's your favourite thing?

My small glass collectibles. They're only 6 cm high. The first one I got was a teddy bear.

How long have you had them?

I got the teddy bear two years ago, and since then I've collected 16. There's one that I'd really like to buy. It's more expensive than the other ones I have. It's a horse. I'll need to save up more money first.

Which one is the most special to you?

The one that my parents gave me. I was competing in a gymnastics event, and I won first place. They gave me a little pink bear as a well-done gift. I'll treasure it forever.

Nathan

What do you always have with you?

That's easy! My Converse trainers. I wear them everywhere. My mum said that she was going to throw them away because they were so old. But I'll never get rid of them!

Matilda

What's your most treasured possession?

It's my silver bracelet.

It's lovely. How long have you had it?

It was given to me by my grandmother for my 16th birthday. And she told me that her mother had given it to her when she was 16 as well. I'll keep it forever.
